

Semester Project Part 1: Topic Selection

Sree Pasumarthi

1. Website Name: sreepasumarthi.com
2. Topic Description: I am choosing to create a personal website for the semester project. I am doing this because I believe that it will be a key factor along with resumes and cover letters in the recruitment process. Along with this, I think that it will be a great platform to hone in on my personal brand. I also think it is a creative way to display my programming skill set. Lastly, I will be able to keep all of my information in one place.
3. Pages:
